

Marta Dittes

Real Estate Valuer

Architect and Real Estate Economist
Dipl. Ing. Arch. / MAS UZH REM

Marta Dittes studied architecture and urban planning at the Cracow University of Technology from 2005 to 2010. During her studies she spent a year abroad in Vienna and after successfully completing her studies she worked in architectural offices in Germany.

After moving to Switzerland, she worked as an architect for Aschwanden Schürer Architekten AG in Zurich. Her focus was on feasibility studies and projects in further planning phases.

In November 2015, she completes her MAS in Real Estate at the University of Zurich CUREM, where she has been an active member of the Alumni Association since then.

Since March 2016 she has been working for Fahrländer Partner Raumentwicklung.
