

Marta Dittes

Real Estate Valuer

Architect and Real Estate Economist
Dipl. Ing. Arch. / MAS UZH REM

Marta Dittes studied architecture and urban planning at the Cracow University of Technology from 2005 to 2010. During her studies she spent a year abroad in Vienna and after successfully completing her studies she worked in architectural offices in Germany. After moving to Switzerland, she worked as an architect for Aschwanden Schürer Architekten AG in Zurich.

In 2015, she completed the MAS Real Estate Management (CUREM) and in 2023 the CAS Valuation and M&A (company valuation) at the University of Zurich.

Since March 2016 she has been working for Fahrländer Partner Raumentwicklung.

She teaches as a guest lecturer at various universities of applied sciences in Switzerland and serves as an expert at the CAS Urban Management (CUREM).
