

Benito Rutishauser

Consultant

Economist
MA HSG

In 2009, Benito Rutishauser completes his commercial apprenticeship in a civil engineering company operating throughout Switzerland. Between 2012 and 2017 he studies business administration and corporate management at the University of St. Gallen and works part-time with a small real estate company in eastern Switzerland.

After graduating, he completes a university internship at PricewaterhouseCoopers in Zurich in the area of Real Estate Advisory.

Since October 2017 he has been working at Fahrländer Partner Raumentwicklung.
