Economist and Real Estate Economist  
MA UZH Economics / CAS UZH UM

Mattia Farei-Campagna studied economics at the University of Zurich between 2009 and 2014, specialising in political economy. He showed particular interest in macroeconomic topics and the latest trends in this discipline, including behavioral economics and neuroeconomics. After his studies, the Ticino native completed a one-year academic internship at the Foreign Trade Statistics Department of the Federal Administration in Bern.

He has been working at Fahrländer Partner Raumentwicklung since October 2016, initially as a data analyst and since 2020 primarily as a consultant. In 2020 he successfully completed the UZH CAS in Urban Management at CUREM at the University of Zurich.

Mattia Farei-Campagna is a lecturer at the Swiss Institute of Real Estate Appraisal SIREA and teaches statistical methods in real estate appraisal, location and market analysis, and project development at the University of Applied Sciences of Southern Switzerland (SUPSI). He is also a member of the MAS Real Estate Management SUPSI examination committee.

Since September 2022, Mattia Farei-Campagna serves as the contact person for the Italian-speaking part of Switzerland at the non-profit association Real Estate Meta-rating and Monitoring on Sustainability REMMS.

Since March 2023, he has been a Partner and member of the Executive Board at Fahrländer Partner Raumentwicklung AG.
