

Martina Gessler

Real Estate Valuer

Architect and Real Estate Economist
Dipl. Ing. Arch. TH / MAS REM

Martina Gessler successfully completed her studies at RWTH Aachen University with a degree in architecture in 2002.

During her ten years as a project manager for various architectural firms in Germany and, since 2006, in Switzerland, she has overseen construction projects with a focus on residential and office buildings, sports facilities, and schools.

In 2014, Martina Gessler completed her MAS in Real Estate Management at the FHS in St. Gallen and joined Wüest Partner. There, she worked as a real estate valuer on behalf of private and institutional clients, advising on and valuing a wide variety of properties throughout Switzerland.

As a portfolio manager at Immobilien Stadt Zürich, she oversaw the city's healthcare facilities within Zurich's municipal property portfolio since 2019. Her focus was on strategically managing and developing the portfolio in the interests of the owner and, at the same time, in the interests of the general public.

Martina Gessler joined Fahrländer Partner Raumentwicklung in September 2025.
