Student GIS
cand. MSc UZH

Nicola Maiani studied geography as a major and economics as a minor in his bachelor's study program at the University of Zurich between 2018 and 2021. Since 2021, he has been studying for a master's degree in geography with an emphasis on Geographic Information Systems at the University of Zurich.

Through an internship at the VPS publishing house for employee benefit scheme and social insurance he could gain his first work experience. At the beginning of his studies, he was working in parallel as a specialist for Swiss Life in the sector of enterprise customers. In 2019, he became tutor at the University of Zurich for the module analysis for the natural sciences.

Since September 2021, he has been working at Fahrländer Partner Raumentwicklung.
