

Raphael Schönbächler

Partner & EM

Economist and Real Estate Economist
lic. oec. publ. UZH

From 2001 to 2007, Raphael Schönbächler studied economics at the University of Zurich with macroeconomy and econometrics as major subjects. After his studies, he worked as junior economist with Credit Suisse economic research until the beginning of 2010. His work comprised analysis of the national economy in Switzerland, especially in the field of regional analysis and development of sites.

From April 2010 until September 2012 he worked as scientific employee for the Union of Public Transport (UTP) and Seilbahnen Schweiz, where he was in charge of political economy in the field of public transport and tourism as well as statistical work and economic projects.

Between 2015 and 2016 he completes the CAS in real estate development in St. Gallen (FH/SIREA). Raphael Schönbächler is a lecturer at the Swiss Institute of Real Estate Appraisal SIREA and at the SVIT Swiss Real Estate School AG.

He has been working with Fahrländer Partner Raumentwicklung since October 2012. Since 2019 he has been a partner and member of the Executive Board.
