

Sven Mathis

Real Estate Valuer

Civil Engineer and Real Estate Economist
BSc ETH Bau-Ing. / MAS REM

In 2011, Sven Mathis successfully completed his studies in civil engineering at ETH Zurich. Between 2014 and 2016 he completed an Executive Master at the ZFH and earned the title MAS Real Estate Management.

Prior to and during his studies, Sven Mathis worked for UBS Switzerland AG for seven years in the Real Estate department. There he managed a portfolio of real estate and construction companies for several years. Most recently, he was a member of the real estate valuation team that prepared property valuations and project analyses throughout Switzerland.

From 2017 to 2020 Sven Mathis worked for the auditing, trust and consulting company BDO AG in the real estate department and was responsible for valuations, project developments and investment analyses. In 2019, he completed the CAS Urban Management at CUREM of the University of Zurich while working full-time.
