

Thomas Wider

Partner

GIS Specialist und Data Scientist
MSc UZH / DAS ETH

After his professional apprenticeship as an electronics technician at ABB Switzerland in Baden, Thomas Wider studied at the University of Zurich between 2006 and 2013, earning a Bachelor's Degree in Geography and a Master's Degree in Geographic Information Science. The main focus of his studies is GIS, computer science and spatial planning. After graduation, he worked as a research assistant for six months in the Geocomputation Group at the Institute of Geography, University of Zurich.

Between 2013 and 2018 Thomas Wider worked as a project manager in GIS and traffic data in the department of traffic at the canton of Aargau. From 2015 to 2017, he completed further education to obtain a DAS in Applied Statistics at the ETH Zurich.

From 2018 to 2022, Thomas Wider worked as a GIS Specialist and Data Scientist at Wüest Partner within the Data, Analytics and Technology department.

Since January 2023, he works as a partner at Fahrländer Partner Raumentwicklung.
